

Summer 2019

Dear Fourth Grade Students,

We are so excited to be teaching you next year. This is the first time our school will have two fourth grade classes at the same time. (That makes us very special!)

We are busy setting up both classrooms. That means we will have two classes mastering Birchos Yaakov , two fantastic libraries, two art centers, and lots of room for tables as well as desks.

We hope that you are all having a wonderful summer and are looking forward to a great year in fourth grade.
