

Summer 2019

Dear Eighth Grader,
Entering eighth grade is an awesome thing.
Partly exciting, but a wee bit saddening.
You know that you are in for a memorable year,
One that we hope you will always hold dear -
There is G.O. and yearbook, there is a mountain to learn -
And, in less than one year, your degree you will have earned.
We will make the most of each moment, the most of each day -
As your final year in YST gets underway!
Looking forward to seeing you in the fall!
