Dear Talmidim נ"י

Hello! My name is רבי קלוגמאן and I will be having the great privilege and honor in being your רבי this coming year! I hope you are all having a peaceful and relaxing summer!!

Although you were not in my class yet, I got to see how nice you boys played at recess time, in the playground that we shared last year, and I cannot wait to get to know each and every one of you personally!!

Not only will we be learning about so many new and exciting מצות in our heilgeh תורה, but we will even start learning straight from our very own חומש!!! This is so exciting!! We will also learn many more parts of davening from our סידור that we got last year and how can I forget all the amazing stories about צדיקים I cannot wait to share with you that will teach us how to live the way Hashem really wants us to!!

I am really looking forward spending the year together. Have a wonderful rest of the summer.

Sincerely,
רבי

Dear First Grader,

I hope you are having a great summer!! The coming school year will be filled with fun learning experiences and I can't wait to get started. You will become a fluent reader, a math wizard, and embark on geography and science adventures. We will read stories and write in journals, too. In first grade, you will have opportunities to become a better friend and to gain skills that will help you throughout your years at Yeshiva Shaarei Tzion.

I am excited for our adventure to begin! Don't forget to bring your school supplies. I am looking forward to seeing you on the first day!

Sincerely,
Mrs. Rabinowitz
