

# Fourth Grade Boys

Dear תלמיד,

I hope you are enjoying your summer vacation. Summer is a time to refresh and recharge ourselves so we can learn better in the coming year. We will start the year learning משניות ראש השנה and פרשת שמות.

Please make sure to bring all your supplies together with your סידור and a smile on the first day of school. I am looking forward to having a successful year together.

באהבה,  
רבי קרמר

- 2 Highlighters (1 yellow, 1 orange)
- 1 Scissors
- 2 Black/Blue pens
- 2 Red pens
- 1 Supply pouch
- 1 Smile!

Dear Parents,

Welcome to 4th grade! It is my pleasure to introduce myself as your son's 4th grade teacher. I am excited to begin the school year and to partner with you to ensure that your son has a successful year of learning, growth and fulfillment.

This year we hope to explore and master a variety of subjects. We will build our writing skills through journaling and creative projects. We will focus on developing each boy's individual reading skills through independent reading. Budding math stars will continue to blossom through a combination of Singapore Math, Success Maker, Reflex Math & other support materials. Our geography unit will give the boys an opportunity to wear their explorer hats as we travel the U.S. from coast to coast. The goal of everything we do in school is to help each student develop his potential in academics as well as in social responsibility and character development.

I look forward to getting to know your son as he grows throughout 4th grade. I believe in the power of the parent teacher relationship and the positive impact it can have on your son's accomplishments. If you have any questions or concerns that you would like to address before the school year begins, please do not hesitate to reach out to me. I can be reached via phone at 732-664-2947 or email at [ENusbaum@ystnj.org](mailto:ENusbaum@ystnj.org).

Looking forward to a successful and enjoyable year!

Miss E. Nusbaum
