

Summer 2022

Dear Parents,

To ensure that each and every incoming student enters school lice-free, the PTA has hired qualified nurses to check all YST **boys, girls, and preschoolers** twice during the school year. Lice checks are conducted once before school starts (information below), and a second time in school, following Pesach break.

Our nurses are the only school-authorized head checkers. If your children are found to be lice- and nit-free, the nurses will stamp your child(ren)'s admission cards with a "checked by YST nurses" stamper. These cards must be brought to school on the first day of class, and **only children who have stamped cards will be allowed into class.** Obviously, any child who has a case of head lice will need to be re-checked by one of the designated nurses before being allowed into class.

To cover the costs of the twice-yearly head checks, a fee of \$10.00 per child, with a cap of \$50.00 per family, is to be submitted to the nurses when you come to the initial check. This year this service will be made available to non YST students for an additional fee of ten dollars per head. Non-matriculated students will not count toward the family cap. Please make all checks payable to YST PTA.

Sunday, September 4

Yeshiva Shaarei Tzion Boys
71 Ethel Road West

10:30 – 12:30 Last names beginning with A - L

12:30 – 2:30 Last names beginning with M – Z

If you cannot bring your children to the above session, a nurse will be available in each school building on the first morning of school. At that point, the cost will be \$15.00 per child.

Your support as a PTA member helps make these programs possible! PTA Membership dues will be collected at lice check. Please bring \$35 (cash or check only) to cover your annual family dues.

Thank you for your cooperation!
