

Dear Fifth Grade Talmidim”,

It is that time of year again!

The new school year is coming and I hope you are as excited as I am. You should be looking forward to our upcoming לימודים, as we will be starting גמרא, learning the many fascinating laws that are discussed in פרשת משפטים, then about the משכן, and many other interesting topics.

I hope you had a wonderful summer and enjoyed your vacation. However, now is a time to start thinking ahead to make sure you will come prepared to have a successful year. Hopefully, you are davening and learning every day, and, בס”ד, you will come back refreshed and ready to “shteig.

Remember: The שופר will soon blow every weekday morning in shul starting the beginning of חודש אלול. Let us listen to its message and make sure we are up and ready to put in our best efforts.

Don't forget to come with all your supplies, your סידור, a חומש שמות and a big smile!

I look forward to seeing you soon. Enjoy the rest of your summer vacation!

בידידות,
Rabbi Gutman

P.S. If your סידור or חומש are not in very good condition, please purchase new ones before the year begins.

P.P.S. Are finders always keepers? Are losers always weepers? Stay tuned, and we will find out.

Fifth Grade Boys

- 1 Pencil Sharpener, Eraser
- 2 Glue Sticks
- 1 Reinforcements
- 1 Scotch Tape
- 1 Tissue Box

Dear Fifth Grade Students,

The summer is almost over,
The fun has kept you sane.
You have exercised your body,
But have you exercised your brain?

With all the running, jumping,
Of sports you've had your share.
And now I'd like to welcome you back,
For another exciting year.

This year we'll be trying,
Our minds with knowledge to fill.
Fifth grade's not like fourth,
There's much more to instill.

In math there's problem solving,
With lots of computation,
And for creative writing,
Use your imagination.

Language Arts and reading,
With audio CD's,
Daily oral, grammar,
Plays and activities.

But if you sit down to think about it,
You'll find it's not so tough.
So aim real high and try to score,
Because “pretty good” isn't enough!

Looking forward to a wonderful year together,

Mrs. Bernfeld
(General Studies)
Rabbi Siegel
(Social Studies)
