Summer 2022

Dear Parents,

One of our goals this year is to teach your son to write his name in Hebrew and in English. We would find it helpful if you would take a moment to provide the correct spelling of your child's full name on the lines below.

In addition, if your son prefers to be called by a nickname and/or if you would like that name to appear on his work, please let us know and provide us with the correct spelling of his name.

Thank you.

Hebrew: _____

English: _____

Nickname: _____
