There's so much fun to have and learning to do, It's going to be great!  
You work with us and we'll work with you,  
And together there's almost nothing we can't do!  
We'll learn about *mitzvos*, *brochos* and *Yomim Tovim*, too,  
K'riah, Midos and Ivrit, there's so much to do!  
When you come you'll be learning the ABC,  
When you leave, you'll be reading, just wait and see!  
But in order to start on our arts and crafts, games and toys,  
Each of you need the following supplies:

A smock with long sleeves - labeled  
A change of clothes in a shoebox -  
(all items labeled)  
A backpack  
1 box of tissues  
A great big happy smile

See you soon!!

Summer 2022

Dear First Grader,  
All summer long you've played in the sun,  
All kinds of games, you really had fun!  
Now that school is starting, you may think that playing is through,  
After all, isn't there so much learning to do?

You may be feeling queasy, a little nervous too,  
The thought of no more games may be scary to you.  
For you to feel that way is really quite a shame,  
Since first grade in Shaarei Tzion is learning through fun and games.

With hands-on activities, stories and creative art,  
Every one of our first graders is a most important part.  
We can't wait to see you and greet you on our very first day of school,  
Please remember that learning is fun - that's our first grade rule!

Morah Blumie Klein, Morah Malky Susna & Mrs. Werner

Dear Seventh Grade Girls,  
We have seen you through the years,  
A little taller every time.  
Now that you are entering seventh grade,  
We're sending you this rhyme.

The summer is flying by fast,  
With many activities to do.  
Use your time wisely, fill up on fun,  
While we are waiting to get to know you.

For a year of growth and learning,  
A year of achievements galore.  
A year of friendship and excitement,  
That, and much, much more!

We are sending you this missive.  
You have so much to look forward to,  
Seventh grade will be most impressive!

Summer 2022

Dear Eighth Grader,  
Entering eighth grade is an awesome thing.  
Partly exciting, but a wee bit saddening.  
You know that you are in for a memorable year,  
One that we hope you will always hold dear -  
There is G.O. and yearbook, there is a mountain to learn -  
And, in less than one year, your degree you will have earned.  
We will make the most of each moment, the most of each day -  
As your final year in YST gets underway!  
Looking forward to seeing you in the fall!

Morah Bakst, Mrs. Brotsky, Mrs. Hammer, Mrs. Gross, Mrs. Mandel
