

# Fourth Grade Boys -Summer '25

Dear תלמיד,

I hope you are enjoying your summer vacation. Summer is a time to refresh and recharge ourselves so we can learn better in the coming year. We will start the year learning משניות ראש השנה and פרשת שמות.

Please make sure to bring all your supplies together with your סידור and a smile on the first day of school. I am looking forward to having a successful year together.

Dear Parents,

Welcome to 4th grade! It is my pleasure to introduce myself as your son's 4th grade teacher. I am excited to begin the school year and partner with you to ensure that your son has a successful year of learning, growth and fulfillment.

This year we hope to explore and master a variety of subjects. The goal of everything we do in school is to help each student develop his potential in academics as well as in social responsibility and character development.

I look forward to getting to know your son as he grows throughout 4th grade. I believe in the power of the parent teacher relationship and the positive impact it can have on your son's accomplishments.

If you have any questions or concerns, please do not hesitate to reach out to me. I can be reached via email at [alebowitz@ystnj.org](mailto:alebowitz@ystnj.org).

Looking forward to a successful  
and enjoyable year!
